

HUB RULES

THANK
YOU

A few things to keep in mind when you come into the Hub include:

- Transport - please avoid the tube if you can. Don't forget, we have bike storage! But if you do use the Tube, please follow TFL guidance [here](#)
- Please check your temperature before leaving home, and if you or anyone in your household have a fever, or are showing any [symptoms](#) of COVID-19, please self-isolate for 14 days. If you do test positive for COVID-19 and have been in the Hub, please report this to the team immediately, please also use the NHS [Test & Trace Service](#)
- Please wear a face covering while moving around the Hub. Bring your own, or you can buy one from us when you get here
- Please keep at least 2m away from others at all times, just follow the markers on the floor
- Please wash your hands for 20 seconds with soap and water throughout the day, and use the hand sanitiser placed around the Hub
- Please bring and use your own coffee cup, water bottle and eating utensils as the kitchen area will be closed. The hosts can serve you drinks if you need a top up, and we can also sell you a reusable cup
- We miss you and want to see you all again, but if you can work from home during this time, please do.
